

repair, reuse and SAVE

CLEAN REAM EXTREME® PLASTIC PIPE FITTING REAMERS

- Hub savers quickly and easily remove pipe and solvent cement residue to salvage fittings for reuse.
- **Reduce labor time and materials costs** by eliminating the need to replace entire sections of pipe.
- Simply **cut** the pipe as close as possible to the fitting, **insert** the reamer into the pipe, and **drill** out the old pipe and cement residue.

Cat. No.	Item Code	Fitting Size (Sch. 40 PVC, CPVC, ABS)
PPR75	04521	¾"
PPR100	04522	1"
PPR125	04523	1¼"

Clean Ream® Plastic Pipe
Fitting Reamers

*This reamer is projected to provide 1,000 reams. If the Clean Ream Extreme fails to remove plastic pipe from a fitting 1,000 times, Reed will replace the carbide cutting blade. Clean Ream Extreme units are date stamped and the offer is valid for five years or 1,000 reams, whichever comes first.
